Ho Chi Minh City, Vietnam

1 · STRATEGY & PLANNING	2 · GOVERNMENT & STAKEHOLDERS	3 · ECOSYSTEM & PARTNERS	4 · PROJECT LEADERSHIP
Smart City & urban master plans · ICT strategy	B2G engagement · C-level relations	Universities · tech companies · negotiation	Multidisciplinary teams · milestones · risks

KEY EXPERTISE

- Digital Technology Park
- Smart City Strategy
- Urban Master Planning (ICT)
- GIS & 3D GIS
- Government & B2G Liaison
- Strategic Partnerships
- University & Research Links
- Bid & Negotiation
- Multidisciplinary Project Leadership
- PropTech / Real-estate AI
- IoT & Cloud Infrastructure
- Cross-Culture Leadership

TOOLS

MS Office - Excel, PowerPoint, Word (with VBA automation)

GIS / 3D GIS applications

Project tools - Jira, GitLab, Confluence, own tool PMO-Brain; Power BI for reporting

LANGUAGES

Vietnamese - Native

English - Business level, fluent **(16+ yrs international)**

REGIONS WORKED

Vietnam · SEA/APAC · MENA · South Asia · China

PROFILE

Technology and development strategist with 16+ years leading complex, multi-stakeholder projects across Vietnam, SEA/APAC, MENA and China. Recent focus is **Smart City and urban development**: led the digital-technology input to the **Thu Duc Smart City Master Plan** and **Ho Chi Minh City Masterplan 2060**. Combines hands-on depth in GIS, IoT, cloud and AI with a commercial mindset - closed ~30B VND of contracts, managed multi-million-dollar bids and ran 10+ concurrent projects. Trusted by C-level and government counterparts, with a strong network across universities, research partners and 120+ business leaders. Business-level English from 16+ years of international work.

16+	2	10+	120+
Years Technology & Project Leadership	Smart City Master Plans (Thu Duc, HCMC 2060)	Concurrent Projects Led	C-level & Founder Network

FIT WITH THE ROLE (Digital Technology Park Development)

1 Strategy & Master Planning

Led digital-technology solutions for ICT planning in the **Thu Duc Smart City** and **HCMC 2060** master plans; prepared Smart City technology plans for both.

2 Government & Stakeholders

Engaged C-level and government stakeholders (B2G) at Viettel Software; delivered AI-enabled smart portals for local authorities; active in HCMC business associations (QTBC, BKHN-TSN, HUBA, BNI).

3 Ecosystem & Business Development

Partnerships with five HCMC universities (HUIT, HCMUT, HCMUS, SGU, UIT); managed bids and negotiations for multi-million-dollar tenders (Huawei) and ~30B VND of contracts (Viettel Software).

4 Project Leadership

Led 10+ concurrent projects with architects, analysts, PMs and partners; tracked milestones and risks in Jira / GitLab / Confluence; reported to Group leadership.

PROFESSIONAL EXPERIENCE

VIETTEL SOFTWARE

Ho Chi Minh City, Vietnam

Head of Southern Representative Office / Head of Business Development & Project Delivery

Nov 2024 – Jun 2026

- Led the Southern office (Solution Architects, BAs, Sales, Presales, PMs, Senior Developers) in step with Hanoi HQ and other Viettel Group subsidiaries.
- Engaged C-level and government stakeholders (B2B/B2G); closed strategic contracts of ~30B VND across ERP, DMS (GIS-based), LIMS, MES, banking and e-commerce.
- Governed 10+ concurrent projects (client expectations, milestones, risks) on Jira / GitLab / Confluence and my own tool PMO-Brain.
- Advised Group leadership on AI, IoT, Cloud and 3D GIS product strategy; recruited senior technical talent.

BACKGROUND

B.Eng, Electronics & Telecommunications

Posts & Telecommunications Institute of Technology (PTIT), Ho Chi Minh City · 2001–2006

CERTIFICATIONS

PROFESSIONAL EXPERIENCE (continued)

ENCITY URBAN SOLUTIONS + ENFARM AGRITECH — MOST RELEVANT

Vietnam, Singapore

Principal of Digital Technologies & Product Development — Mar 2022 – May 2024

- Formed and led the digital-technology workstream for ICT strategic planning and urban master planning, including **Thu Duc Smart City Master Plan** and **Ho Chi Minh City Masterplan 2060**.
- Contributed to the **functional mix and phasing** of the master plans; presented proposals for approval and worked with government agencies, tracking relevant policies, incentives and approval procedures.
- Prepared **Smart City technology plans** for Thu Duc and Ho Chi Minh City, covering digital infrastructure, IoT, GIS, remote sensing and AI use cases.
- Built **enGIS** GIS applications and **real-estate AI** tools (OCR, pricing models) for urban and property data, land use.
- Solution-architected and built the product team for **enfarm** AgriTech - IoT hardware from prototype to mass production with manufacturing partners.
- Automated company CRM/ERP and Google Workspace and automation workflows (Python, GAS, Scripts for AudoCAD/ OpenCAD/ ArcGIS/ QGIS).

LAZINET APPLIED TECHNOLOGIES & HATHYO

Vietnam

Technology Founder — Nov 2023 – Present

- Lead R&D and delivery of AI, IoT and cloud solutions for AgriTech, AquaTech and e-commerce ventures; launched **HATHYO** e-commerce platform.
- Delivered AI-enabled smart portals for local government, digital platforms for business associations in HCMC (**QTBC**, BKHN-TSN), an IoT + AI environmental monitoring system and a 3D-AI showroom.
- Delivered dealership-management and smart-charging systems (**WeaveGrid**).
- Built strategic ties with HCMC universities (**HUIT**, **HCMUT**, **HCMUS**, **SGU**, **UIT**) for research and innovation projects.

HUAWEI TECHNOLOGIES (CHINA, THAILAND)

Shenzhen, SEA, South Asia, MENA

Technical Director / SEA Regional Expert — Mar 2014 – Dec 2021

- Led technical delivery, network planning and design, presales and bid management for multi-million-dollar tenders with Tier-1 operators across SEA/APAC (**Telenor**, **DTAC**, **Viettel**, **Vodafone**, **True**, **Ncell**, **Ooredoo**, **Mytel** and others).
- Trusted advisor to operator CTOs and technical directors; supported contract signing and renewals.
- Directed multicultural teams across 10+ countries and coordinated with Shenzhen R&D HQ to localize planning software for regional markets.

EARLY CAREER - NETWORK PLANNING & ENGINEERING (2006–2013)

Aircom International (TEOCO), Senior Planning & Optimization Expert - Vietnam, Middle East, Africa, South Asia (2009–2013): strategic network planning, design and performance optimization for mobile operators including Beeline, Etisalat, MTN, Robi and Mobifone.

Mobile Network Planner & Designer (2008–2009): planned and designed the **VIETNAMOBILE** turn-key EGSM transmission network, Southern Vietnam.

VNPT-NEC Telecom Systems, Implementation Engineer (2007–2008) · **S-Fone CDMA Mobile Center**, Transmission OAM Engineer (2006–2007).

> *"Combining rigorous engineering logic with a commercial mindset - turning technology into well-planned, well-governed urban and real-estate developments."*
